OPEN CAMPUS AGREEMENT

We prefer that students stay on campus during the school day so that they can use facilities and services in a safe, supervised environment. However, Open Campus privileges are an option that is dependent on parent consent and increases with age and maturity. Because we cannot supervise all campus exits, Open Campus privileges are a "trust" agreement between you and your student. Excessive absences or tardies from classes may be cause for revoking any Open Campus privileges. Parent/guardian may also withdraw approval for Open Campus privileges.
