ATTENDANCE IS REQUIRED FOR ALL NEW BELLEVUE HIGH SCHOOL STUDENTS ENROLLING FROM OUT OF DISTRICT

Bellevue High School
Summer Academic Orientation

Get a jump start on your academic success!
You will learn the following skills and strategies:

"Tools for learning" session includes demonstration and practice of:
- accessing online grades
- accessing teacher websites
- submitting papers through turnitin.com (with practice time)

English orientation session includes the learning of:
- English readiness skills
- Jane Schafer writing style, including terminology and the framework (with introduction to writing samples and practice time)
- Overview of summer reading requirements

Math orientation session includes the learning of:
- math readiness skills
- cooperative model of math instruction
- reading for technical understanding
- use of a graphing calculator (with practice time)

Please plan on coming Monday for the English/tools orientation and Tuesday for the Math orientation. See below for the time schedule:

If you are going to take:	Then your orientation is scheduled for:
