

Newport Knives Culinary Club

Club description:

The Newport Knives Culinary Club is focused on educating students about the creative art of cooking and fine dining. Whether you are just learning to cook or a seasoned culinarian already addicted to the heat of a 30,000 BTU burner; the Newport Knives is the place to expand your skills and mind. The club provides a forum for information exchange, hands on learning and a social organization all build around the common interest of food.

The Newport Knives hold a variety of organized events and actively seek catering opportunities to earn funds for completion entrance fees and activities.

Mission:

- To educate Newport's students beyond the classroom about life's simple pleasure-great food.
- To provide an organization to Newport students who have a passion for food with a social and educational forum.
- To provide the opportunity for Newport Culinary Arts students to explore their interests in the culinary arts through a variety of activities in and outside the classroom and the school day.

Club activities:

Group dinner and activities
